# Information When You Need It - Safe and Secure

**M**ohave Community Federal Credit Union now has C.U. 24, a convenient telephone service for immediate access to your accounts at any hour of the day or night. C.U. 24 is safe and secure because you use a secret Personal Identification Code (PIC) to do your transactions.

## One Phone Call Does So Much

With C.U. 24, you can obtain information about savings and checking accounts, loans, deposits, withdrawals, dividends, and much more.

- In the middle of the night you wake up remembering that you forgot to make a loan payment. With C.U. 24, you can transfer money from your account to your loan account. Five minutes later, you're back to sleep.
- You need to cover an important check, but you don't know if you have enough money in your account. Dial C.U. 24 to find out your checking account balance.
- A recent deposit has not been entered in your savings account. With C.U. 24, you can find out the last five transactions in that account.

## Your Personal Identification Code

Your Personal Identification Code (PIC) is the last four digits of your social security number. However, for security reasons, this should be changed as soon as possible.

## Easy to Use

With a touch-tone phone you can access C.U. 24 from wherever you are - at home, at the office, or on the road. To use C.U. 24, have ready:
